

The Bowater Fire Door Range

Bowater Doors is one of the UK's leading composite door manufacturers. Our British made to order doors are created to the highest specifications. The vast choice of colours, glazing options and hardware mean we can service each customer's needs to their unique requirements.

Bowater Doors is part of the worldwide VEKA Group, a family-owned, global business for industry-leading products.

Increased safety for your home

Why choose a fire door

The Bowater Doors Fire Door offers added peace of mind and conforms to all relevant building regulations.

The Fire Door has a 70mm Outer Frame to BS EN12608 with unique steel reinforcing and flame retardant material-filled chamber.

Tested to meet the requirements FD30s rating, making it fire and smoke resistant for 30 minutes.

Optimum combination of efficiency, security and value.

Energy-efficient Bowater Doors fire doors save on both heating bills and the environment. With its thermoset GRP construction and efficient twin weather seals, heat will be kept on the inside.

All fire doors are made to measure, making them installer friendly. With their high security steel reinforced outer frames, anti jamming hinges and robust cylinder locks, you can be assured of total peace of mind, all at an affordable price.

Benefits

- Comes ready to fit, fully framed with glazing and hardware
- The Fire Door is available in four colours and five styles
- Individually made-to-measure
